The position covers a range of resource consents work, with a particular focus on residential redevelopment projects of all scales. Depending on your interests and skills there is also the opportunity to be involved in planning policy and plan change projects and giving evidence at hearings.

You will need to be a great communicator and have a high level of analytical and report writing skills. The salary package we offer will reflect the seniority of the and the experience and potential of the applicant

Main Responsibilities

Your main responsibilities will include:

- Preparation of resource consents (including authorship of AEEs) ranging from simple to complex
- Advice to Cato Bolam Directors and other staff and to external clients (verbal and written) on planning provisions and processes relevant to development projects
- Working within Cato Bolam multi-disciplinary teams including giving specialist planning input
- Project management of individual consent processes (lead contact for clients, Cato Bolam representative at council meetings, etc)
- Liaison with outside consultants as required to assist in preparing consents / planning projects
- Presentation of evidence to Councils and the Environment Court
- Maintaining of Cato Bolam quality systems, including applying knowledge of the Company Code of Conduct and Ethics
