Senior Architect Manukau

Cato Bolam are a medium-sized consultancy providing surveying, engineering, planning, architectural and environmental services from our offices in Henderson, Manukau, Orewa and Whangarei. We specialise in land development and are involved in a wide range of projects throughout Auckland and Northland.

The Opportunity

Cato Bolam seeks an experienced architect to take a leadership role in our expanding team.

Our Architecture team is based in our Henderson office, and we're looking for a registered architect, senior graduate ready to register, or senior technician to work in our Manukau office to service our growing clientele in South Auckland.

We need someone who can:

- Provide advice to clients about options for development of their site – including the production of innovative concepts that meet our clients' aspirations,
- Complete plans, elevations, and renders for resource consent applications,
- Complete detailed drawings to obtain building consents,
- Carry out site observations and contract administration.

You must be able to:

- Work on your own, and manage other staff,
- Build relationships with clients and consultants, and have excellent communication skills (both verbal and visual),
- Manage the architectural design process, including the production of detailed documentation for a wide range of projects, including the engagement and co-ordination of consultants,
- Prioritise work streams and meet project timelines,
- Bring a positive 'can-do' attitude to every project.

We expect the successful applicant will have:

- An appropriate architecture or draughting qualification, and preferably be a Registered Architect or LBP,
- At least five years' New Zealand experience,
- A demonstrated knowledge of the NZ Building Code, Building Act, and the Auckland Unitary Plan,
- An excellent knowledge of how to use CAD systems for design and detailing (Archicad knowledge preferred).
