If you possess all or most of the skills above or are a recent graduate who is motivated and keen to learn on a wide range of projects

Ecologist Orewa

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities, and our environment.

The Opportunity

We have an opportunity in our Orewa office for an experienced Ecologist to support the company's environmental team over the full range of environmental activities including client liaison, field and office analysis, reporting and assessments. You will be responsible for ecological aspects of resource consent applications and environmental impact assessments including; bush and wetland restoration/enhancement, stream classification, wetland, fish passage, SEV assessments and other general ecology work. There will also be the opportunity to be involved in the preparation resource consent applications relating to rural and urban subdivisions, environmental protection/enhancement proposals. The role provides an excellent opportunity to work, develop and broaden your skills.

About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business and our team of 90+ located across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

Make a difference.

Together we will design and deliver a better future.

We'll help you grow.

We will invest in your future together.
