

About You

Ideally you would be locally based and have NZ experience in all aspects of land development civil engineering; consent and construction phase design, civil contract tendering & management, stakeholder engagement and project management. It is important that you have exceptional communication skills and ideally with some experience with managing both external clients and internal stakeholders..

You will also have:

- BE Civil, NZCE, B.Surv or RPSurv.
- 5+ years' New Zealand land development experience
- Competence with 12d design, AutoCAD and 12d Synergy an advantage
- NZ land development - design and contract management
- Stormwater mitigation and flooding management experience

If you possess all or most of the skills above and are keen to work on a wide range of projects delivering innovative and sustainable design solutions, then we would like to hear from you.

Engineer / Surveyor – Land Development Orewa

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is “Creating Great Places” and that is what we strive to achieve – for our clients, our communities, and our environment.

The Opportunity

We have an exciting opportunity in our Orewa office for an Intermediate to Senior land development engineer, or surveyor with engineering experience, to join our high performing engineering team who are key in the delivery of a wide range of projects across Auckland. There is the potential for this role to become a lead surveyor role, so will suit someone looking to make that next step in their career. You will have the opportunity to work collaboratively and autonomously on a wide variety of residential, rural and commercial developments and expand your engineering horizons.

About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business and our team of 90+ located across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

Make a difference.

Together we will design and deliver a better future.

We'll help you grow.

We will invest in your future together.
