

## About You

You will be a Chartered Professional Engineer with 10+ years land development experience (preferably Auckland-based) and leadership and/or management experience. You will work well in a collaborative environment across multiple disciplines delivering client focused engineering inputs internally and externally. You will be a people person who will inspire, engage, mentor and value your team.

Additional experience & skills will include:

- Delivering large & small multi-discipline engineering projects
- Building key client partnerships
- Leading the preparation of tenders and estimates
- Leading business development opportunities
- Professional development and mentoring (an advantage)
- 12d Synergy (an advantage but not essential)
- Excellent oral and written communication
- Excellent project management

If you possess all or most of the skills above and are keen to work on a wide range of projects delivering innovative and sustainable design solutions, then we would like to hear from you.

## Engineering Manager Orewa, North Auckland

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities, and our environment.

### The Opportunity

We have an exciting opportunity for a Civil Engineer (CPEng) with land development and management, or leadership experience, to join our leadership team as Engineering Manager in our Orewa office.

The Engineering Manager role is an opportunity for a dynamic Chartered Professional Engineer with proven technical and leadership experience in land development and infrastructure. In this role you will work closely with our leaders and our high performing Orewa engineering team with responsibility for the team and for the quality and delivery of the engineering outputs.

If you are looking to progress your engineering career at a senior management level in a great working environment, and with support of the incumbent Engineering Manager, this is a fantastic opportunity.

### About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business and our team of 90+ located across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

## Make a difference.

Together we will design and deliver a better future.

## We'll help you grow.

We will invest in your future together.
