

About You

The engineer we seek will have the following qualifications and experience:

- BE, NZCE, Diploma, BSurv.
- CPEng, CPLDEng or RPSurv (an advantage but not essential)
- 5-10+ years' New Zealand land development experience
- Competence with 12d design and Autocad.
- NZ land development - design and contract management
- Stormwater detention and treatment design (desirable)
- Flood modelling experience (an advantage)
- Roading design experience (an advantage)
- 12d Synergy experience (an advantage)

If you possess all or most of the skills above and are keen to work on a wide range of projects delivering innovative and sustainable design solutions, then we would like to hear from you.

Civil Engineer – Land Development (Senior or Intermediate) Orewa, North Auckland

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities, and our environment.

The Opportunity

An exciting opportunity awaits an experienced Senior or Intermediate Engineer specialising in land development. Join our high performing engineering team who are key in the delivery of a wide range of projects across Auckland. You will have an opportunity to work collaboratively and autonomously on a wide range of residential, rural and commercial developments and expand your engineering horizons.

About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business and our team of 90+ located across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

Make a difference.

Together we will design and deliver a better future.

We'll help you grow.

We will invest in your future together.
