

About You

Our ideal candidate would be locally based and have 3-5 years New Zealand based experience with a thorough working knowledge of ArchiCAD and local standards. We would prefer some experience in medium density type residential housing.

The successful candidate will have the following:

- Relevant qualification (NDAT or architecture degree)
- Great communication and writing skills
- A willingness to work in a team environment
- Experience in ArchiCAD
- A desire to learn skills beyond architecture through having other disciplines at your side.

If you possess all or most of the skills above and are keen to work on a wide range of projects delivering innovative and sustainable design solutions, then we would like to hear from you.

If you possess all or most of the skills above or are a recent graduate who is motivated and

Graduate / Intermediate Architect Technician Henderson or Manukau

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities, and our environment.

The Opportunity

We're looking for an architecture graduate or intermediate technician to join the architecture team in our Manukau or Henderson office. Adding to our core services of planning, surveying, engineering and environmental, our architectural team complements our suite of services centred around design, consenting and construction of land development projects. Being part of a multidisciplinary consultancy, you will also be exposed to learning beyond the architecture process, rubbing shoulders with leaders in our industry from other disciplines. The position is initially for a minimum of six months' to cover parental leave, but could grow into a permanent role.

About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business. Our team is spread across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

Make a difference.

Together we will design and deliver a better future.

We'll help you grow.

We will invest in your future together.

What we offer

Cato Bolam gives the opportunity to be part of a team of professionals in a supportive work environment delivering great places. We are committed to investing in our people, provide personal development plan support and mentoring to help you grow and take the next step.

We have plenty of social activities, are proud of the company culture, our reputation and value each team members contribution.

Location: Manukau or Henderson

Hours: Preferred hours are 40 hours per week Monday to Friday (flexibility an option)

Benefits: Competitive Salary and the opportunity to work with a great team. If the position grows into a permanent role, we also offer subsidised employee health insurance and gym membership.

If you are ready for your next venture and would like the opportunity to join our team, apply NOW by forwarding your application to:
