## Civil Design Engineer – Intermediate to Senior Henderson, West Auckland

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is “Creating Great Places” and that is what we strive to achieve – for our clients, our communities, and our environment.

### The Opportunity

An exciting opportunity awaits an experienced Intermediate or Senior Design Engineer specialising in land development to join our Civil team in delivering a range of projects on critical timelines. You will have an opportunity to work collaboratively and autonomously on a wide range of residential, rural and commercial developments and expand your engineering horizons.

As we are looking to deliver major projects in short time frames, we require applicants who can hit the ground running.

### About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business and our team located across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

## Make a difference.

Together we will design and deliver a better future.

## We'll help you grow.

We will invest in your future together.
