

## About You

You will be an experienced planner with at least 6 years' New Zealand experience, strong technical capability, and the confidence to manage projects and relationships. You will enjoy working collaboratively while also being able to operate independently.

**The successful candidate will have the following:**

- A relevant planning degree and 6+ years' New Zealand planning experience (Auckland experience preferred)
- Strong project leadership and organisational capability
- Excellent written and verbal communication skills
- Sound knowledge of planning frameworks and consent processes
- Ability to work independently while contributing to a wider team
- Eligibility for (or membership of) the New Zealand Planning Institute
- Experience or interest in urban design, plan change work, or broader project management will be an advantage.

If you possess all or most of the skills above and are keen to work on a wide range of projects delivering innovative and sustainable design solutions, then we would like to hear from you.

## Senior Planner - Auckland Henderson or Orewa

Cato Bolam is a multi-disciplinary consultancy delivering planning, land development and infrastructure solutions across Auckland but also extends north through Northland and the Far North. Our purpose is simple: **Creating Great Places.**

### The Opportunity

We are seeking a Senior Planner to join our Auckland team. This role can be based in either Henderson or Orewa, offering the opportunity to contribute to a wide range of projects across the region.

You will take a lead role in delivering planning projects across residential, rural, and commercial developments. Your work will span not only Auckland but also extend north through Northland and the Far North, providing exposure to a broader range of planning environments and project types.

Working closely with clients, directors, and multidisciplinary teams, you will help shape outcomes and drive projects through the resource consent process.

### About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business. Our team of 60+ staff is located across Auckland and Northland and has a proud reputation for delivering high-quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

# Make a difference.

Together we will design and deliver a better future.

# We'll help you grow.

We will invest in your future together.

## What we offer

At Cato Bolam, you will be part of a supportive, professional team delivering meaningful work. We offer strong mentoring, development opportunities, and a diverse project portfolio, along with a competitive salary package.

- A supportive and collaborative team environment
- Varied and meaningful project work across Auckland, Northland and the Far North
- Ongoing professional development and mentoring
- Competitive salary and benefits package

**Location:** Henderson or Orewa

**Hours:** 40 hours per week Monday to Friday with an emphasis on being actively involved in the team and project delivery.

**Benefits:** Competitive Salary and the opportunity to work with a great team. We also offer subsidised employee health insurance and gym membership.

If you are ready for your next venture and would like the opportunity to join our team, apply NOW to take the next step in your planning career by forwarding your application to:
